Weekday life group... We have had a couple of requests for a daytime life group and would like to gauge the interest? Are you interested in 'doing life' together with others whose availability is in this time? Day and time to be by negotiation! Please let Donald asap know if you are up for this.

Lunches for 8??... We have become aware of folk who would like to have been a part of the dinners for eight events but who cannot go out at night, have no transport or for other reasons don't find the weeknight out suits them. If this is you, and you would like to be a part of a monthly lunch event with others please let the office know and we will see if there is a way to make this happen.

Contact Directory... About a month ago we issued a new contact directory with photos in. Sadly, due to an editorial issue, several people were left out and so we will be reissuing it. These will be available from next Sunday for \$2 or, if you bring in your copy of the first directory with photos, we will do a straight swap, no charge.
